Helmor Purvis 41—A red, two-year-old son of the \$22,500 Cruggleton Purvis by Calrossie Harmony. The record of Cruggleton Purvis is without equal. In 1953 six of his calves averaged \$2,991. Six more were sold in 1954 at an average of \$2,675. One of his sons topped the 1955 Marellbar sale at \$10,000 and another son topped the 1956 Marellbar sale at \$3,000.

Shorthorn breeders from Maine to California are continually faced with buying problems . . . new herd bulls, replacements, new blood for the cow herd. Where is the best place to buy? It's the question that always arises. The answer is obvious. You are never wrong when you head for the state where the "most of the best" are available. Illinois is the leading Shorthorn state, not alone in numbers, but also in quality and famous sires. No matter where you live, no matter how much cost is involved in the trip, you will find a better solution to your problems if you will travel to Illinois.

The 1957 Illinois State Sale contains the top productions from the greatest herds in the greatest Shorthorn state. The offering contains 29 outstanding herd bull prospects, all sons of internationally famous sires, all produced in well advertised herds, and nearly all ready for immediate service. In no sale to be held this spring will you find better quality or a wider selection. The 29 females are beautiful individuals backed by the richest of bloodlines . . . exactly the right kind for herd foundations or herd improvement.

Come to the sale where the leaders are offering their best! Come to Illinois! Plan to arrive in time for the great banquet and meeting on the evening of February 28th. Watch the judging on the morning of March 1st. Buy in the sale on the afternoon of March 1st. You will never be sorry!

Bambi Bessie 2nd—Big League Cattle . . . Little League Price. Luther K. Rice, Paris, Kentucky, purchased a heifer from us at auction for \$560. A outstanding producer, her second calf was reserve champion at the Kentucky Futurity and sold for \$1,875, approximately three and one-half times what he paid for the heifer. This sweet little girl is equally good. Kickapoo Gambler is really proving himself.

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, providing they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

Right—This uniform trio of red steers were the champion county group of three from Illinois and the reserve grand champion county group over all breeds at the 1956 International Livestock Show, Chicago. Two were exhibited by Prescott Down & Sons and one by Dave Cox.

The Great Illinois Shorthorn Steer Story

1956 International Livestock Show, Chicago

Reserve interbreed carcass was from a Shorthorn steer that was sired by a bull from a former Illinois State Shorthorn sale, Ringwell Prince Eric by Barquhar Commander. Bought in the 1950 state sale at \$700 by Berl A. Wilson, Champaign, Ill., from Ringwell Farm, Ringwood, Ill. Steer was shown by Mary Lou Wilson.

The reserve grand champion county group of three steers over all breeds were from Illinois—two were exhibited by Prescott Down & Sons, Wyoming, Ill., and were by Braemor President 9th, sire of their consignment to this sale. The other was the Junior Show Shorthorn champion shown by David Cox, Wyoming, Ill., sired by Marellbar Excellente and from a granddaughter of Marellbar Mandate.

The reserve champion Shorthorn steer, Little Red, was by a bull bought in a former Illinois state sale. He was shown by Philip Schleeter, Colfax, Ill., and bought from Richard F. Allen, Thawville, Ill., who bought his sire, Silver Cupbearer by Newallyn Cupbearer, in the 1952 Illinois State Sale from C. E. & H. K. Doubet, Hanna City, Ill. Little Red had been the reserve interbreed Land of Lincoln champion at the 1956 Illinois State Fair. His dam was sired by Millgate Royal Leader 8th, also bought in an Illinois state sale.

The reserve champion Shorthorn steer of the junior show was bought from Joel Hopkins, Granville, Ill., (consignor to this sale) and sired by Bridegroom 2d. He was shown by Loren Hartwig, Olin, Iowa.

Second in class to the International champion at Chicago was a roan steer shown by Marellbar Farms, Libertyville, Ill.

Second prize pen of three in the open Shorthorn steer show at Chicago came from Illinois and were calves bought from Frank Countryman and Blaine McCinty, both members of the Illinois Shorthorn Breeders' Ass'n. They were shown by Patricia Morris, Chadwick, Ill.

(In the breeding show at the 1956 International, six of the twelve championships, 13 first prize winners, seven second prize winners, five third prize winners, were shown by members of the Illinois Shorthorn Breeders' Ass'n.)

1956 Illinois State Fair

Grand champion Shorthorn steer of the open show was shown by Richard Bennett, Martinsville, Ill., and sired by Oakdale Fortress, sire of the Huber Bennett consignment to this sale.

Champion Shorthorn heifer of the junior breeding show was Mysie 35th, shown by James Down, Wyoming, Ill., and sired by Braemor President 9th, sire of the Prescott Down consignment to this sale.

1957 Arizona National, Phoenix

Champion feeder steer load over all breeds and champion pen of five over all breeds were Shorthorns from Illinois, exhibited by Nelson Farms, Geneseo, Ill., member of the Illinois Shorthorn Breeders' Association.

(In the breeding cattle show, eleven of the twelve championships came from Illinois.)

1957 Denver National Western

Reserve champion Shorthorn steer was shown by Marellbar Farms, Libertyville, member of the Illinois Shorthorn Breeders' Ass'n.

(In the breeding cattle show at Denver, six of the twelve championships were won by animals shown by members of the Illinois Shorthorn Breeders' Ass'n.)

Attention is called to the important sale to be held by Wilbur Steiger at his farm 3 miles east and ½ mile south of Delavan, Illinois, on March 2nd, the day following the Illinois State Sale. This sale will contain 11 bulls and 35 females. Mr. Steiger recently purchased the entire herd owned by Homer C. Page, Vermont, Illinois, and this sale will include a partial dispersion of the Page Shorthorns. The Steiger Farm is less than 50 miles from Springfield and with over 100 head selling on two consecutive days, these two sales should prove attractive to buyers who seek both quality and numbers.
